

Make a lasting, living gift to our community!

The City of Brandon's
Tree Celebration Program
gives you the opportunity to
help beautify Brandon's
green spaces now, and for
generations to come.

Tree Celebration Program

**"Society grows great when people plant trees
under whose shade they shall never sit."**

Greek proverb

Sandy Black

*All personal donations are
tax deductible.*

*Receipts will be issued by the
City of Brandon.*

***Trees can be sponsored for a variety of
reasons including celebrating:***

- *a birth*
- *graduation or wedding*
- *in recognition of a deserving
individual*
- *in memory of a loved one
(pets included!)*
- *as a corporate sponsorship*
- *to offset a carbon footprint*

Donate a Tree

A tree may be sponsored for a donation of just \$250 per tree.

General Information

Your donation covers the cost of the tree, planting, watering, and maintenance by City staff for a period of two years. After this time, care of trees is handed over to Mother Nature.

Donors will be invited to attend a small planting event for their tree(s) where they will receive a commemorative certificate and have their name added to a digital plaque on the City website.

Tree species, planting location, and planting date are determined by Parks & Recreation Services staff.
